Volume 78 No. 5
June 2025

Greetings from the Leadership Team

Dear Members,

By the time you read this final newsletter of the academic year, the Leadership Team will already have met to celebrate our successful 133rd year. Our spring meeting at City of Refuge was very well attended and we were thrilled to be able to offer generous scholarships to five worthy recipients. You can read about them in this letter and appreciate all that they do for our Mizzou community. Many of you expressed interest in the City of Refuge's mission in mid-Missouri and we were glad to be able to support their programs.

Many of the interest groups are placing their meetings on hold until the fall but were able to celebrate together and share friendships before summer takes over. Some of the groups' celebrations are featured in pictures herein. The budget and audit committee will be meeting in mid-June as we look ahead to fall 2025.

Finally, if any of you are interested in volunteering to serve on the Leadership Team, we would welcome your participation as we are stronger together. We need someone to assume a three-year position on the Scholarship Committee headed in 2025-2026 by Mary Druce.

Enjoy your summer and celebrate that we live in one of the top communities for a healthy and active life according to **Livability**, an organization that explores what makes small to medium size communities great places to live. They declared us 'one of the best places in the nation' out of 100 locations.

(Columbia Daily Tribune, May 14, 2025)

Cordially,
The Leadership Team
